Bryan to Head Albany ools Another 4 Years

ul C. Bryan will serve as ndent of Albany schools er four-year period, it was d following unanimous ac- the Board of Education evening.

for renewal of this con- luded a provision that the of annual salary would ished at a later date.

ew contract marks Dr. Bryan's fourth term as executive head of the school district, having started here in July, 1941, after serving for several years as superintendent of the Ft. Bragg schools.

In other action the Board reinstated in school activities two high school boys who were involved in the alleged beating of a life guard at the Albany Pool last May.

Action was taken on the recommendations of Principal Charles Moore and Vice-Principal William Feeny, who stated in part:

"Both of these young men have made a definite effort to demonstrate that they can be good school and community citizens. Their conduct and general attitude in classes and around the school has been excellent."

The Board authorized the installation of an air raid warning system in the administration office as part of the Pacific Telephone and Telegraph Co. service to transmit "yellow alerts." The alerts are warnings preceding the "red alerts" sounded locally by sirens.

Dr. Robert L. Rutherford, representing the California Association of Chiropodists, appeared before the Board and submitted information regarding the free examination of school children's feet.

Board members rejected an earlier offer for this service, but reopened the case Tuesday night for further consideration.

BABY GIRL. A baby girl arrived December 5, 1952 for Dr. James M. Condon and Mary Condon, 205 3rd Ave., San Mateo. Dr. Condon is the son of Mr. and Mrs. James P. Condon, Realtors of 1365 Solano Ave., Albany.

Santa to Visit Needy Families

The Albany Christmas Committee today is working on its annual propect of wrapping toys and preparing food baskets which will be distributed to local needy children and families during the Christmas holidays.

The program is made possible each year through cash contributions and gifts from local organizations and individuals.

Albanyans interested in assisting the committee to make Christmas a little brighter for the less fortunate may do so by:

1. Send cash contributions to the committee which will make the necessary purchases. (Make checks payable to Albany Christmas Committee, 850 Masonic Ave.)

2. Donate food items for family boxes.

3. Set up your own boxes and deliver them directly to the families.

Call LAnd. 5-5/04 regarding information and the assignment of a needy family known to the committee.

The MacGregor PTA under chairmanship of Mrs. Richard Thornton has sent boxes of toys to the Committee to take care of over 150 children who would otherwise have no Christmas.

Emmett Devine, superintendent of recreation is in charge of purchasing and distribution of food boxes. Assisting on the committee are Mrs. Norma Carr and the MacGregor PTA.

Fireman Freddy Says

Inspect Christmas tree lights thoroughly before using. If there is any doubt of their condition they should be discarded and replaced.

COUNCIL REPEALS CITY ADMINISTRATOR PLAN

The Albany City Council today has rescinded its controversial resolution which would create a city administrator type of government in Albany.

Faced with a referendum petition presented by Councilwoman Mrs. Kathie Zahn, the Council withdrew the proposed resolution rather than call a special election or place the issue before the voters at the next municipal election.

Action came at the Monday night session on a motion of Councilman Edward E. Combs, who explained that repeal of the resolution was the most satisfactory arrangement for answering Mrs. Zahn's petition. The petition contained the signatures of 1256 qualified voters.

"I also thought the resolution wasn't worded properly for election purposes," Combs added.

The measure was passed 4 to 1 with Councilman William T. Donahue voting "no."

Donahue commented: "I still think the city needs a city administrator, but there's not much you can do when you have a referendum facing you."

Mrs. Zahn who has fought the measure since adoption of the original resolution on October 20, termed the repeal as a "victory for the citizens of Albany."

The City Attorney was instructed to draft another resolution which officially rescinds the city administrator measure.

In other business, the City Engineer reported that a survey of defective sidewalks in the city was completed last month and that the last of 950 notices covering such defects were issued to citizens last Friday.

Of the total, some 60 were due to sidewalks damaged by city-owned trees, and about 40 covered corner areas. In either case, the city is wholly responsible for needed repairs, he said.

However, the laws place financial responsibility for other areas on the private owners who have property adjoining the defective work.

Under the State Improvement Acts, the City Council may order the work which after notification, is not done by the private owner, to be done by the city. In such cases, the bill is sent to the owner for payment. If the bill is not paid, the cost becomes a lien on the property affected.

The City Engineer has offered to meet with the owners at the site if further explanation is desired. He may be contacted at LAnd. 5-9680.

How to make good telephone service even better

MEMO to a busy homemaker When you manage a household, care for your family and carry your fair share of civic responsibilities, time becomes important in your life. It may seem a minor thing—to call a number of friends and inform them that next week's club meeting will be at Jane's home instead of Ruth's. But even such a minor chore takes time. Will you let us give you a time-saving tip? Start a personal number book. You'll be surprised at how much time it will save. And if you check these numbers from time to time—keeping them up-to-date—you'll also avoid the embarrassment of calling wrong numbers.

this free booklet for keeping local and out-of-town telephone numbers is yours for the asking. Telephone, send a postcard or drop in at your nearest Pacific Telephone business office for your free copy.

I SAVED $116.86 ON THE CAR I BOUGHT
"I made over a 50% down payment on a late-model car. I was told it would cost me $257.60 to insure the car and finance the balance of $700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only $140.74. I saved $116.86." (One of many actual cases.)
